Hi GSSW,

We have had an uptick in requests for access to GSSW buildings, so we have created a new automated process to support efficiency.

Moving forward and until further notice, Jennie will coordinate access using the form linked below. The form is also accessible through the Building link on the GSSW tab in PioneerWeb.

Please reach out to Jennie at jratice@du.edu or 303.871.2774 with any questions. Due to current protocol requirements, same day requests may be difficult to coordinate, so please plan ahead.

Thank you for using the form.
